

2021-2022 VERIFICATION WORKSHEET – INDEPENDENT V4/V5

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents. We may ask you for additional information. If you have questions about verification, contact the financial aid office as soon as possible so that your financial aid will not be delayed.
